

Pre-Bid Conference for Request for Proposals for Habitat Mitigation Services

RFP No. HSR 14-56

Friday, February 13, 2015

1:30 – 4:00 p.m.

California Department of General Services, Ziggurat Room

707 Third Street

West Sacramento, CA 95605

The California High-Speed Rail Authority (Authority) is seeking proposals for Habitat Mitigation Services.

The Authority issued a Request For Proposals (RFP) to receive proposals from qualified firms to provide habitat mitigation services for the portion of the high-speed rail system located between Fresno and Bakersfield. The habitat mitigation services will be performed under the contract resulting from this RFP are designed to satisfy environmental approvals and federal and State permit requirements for off-site mitigation for impacts to special-status species, waters and wetlands associated with the construction and operation of Permitting Phase 1 of the Fresno to Bakersfield project section.

Please join representatives from the Authority at this Pre-Bid Conference to network and learn more about the requirements of the contract, how to bid and the Authority's goals for small business participation.
