**Notes:**

1. Asterisk (\*) after the vendor name denotes Purchase Orders.
2. Vendors may appear several times due to contract amendments or multiple contracts. Green colored items are new or changed from the prior report.
3. Blue shaded rows identify one contract with subsequent amendments. The contract total amount appears below the last amendment.
4. Actual expenditures are invoices received and paid. The encumbrance is updated when the invoice is paid in CalSTARS.
5. Forecasted expenditures are subject to change based on the contract manager's assessment.
6. Encumbered amounts are ending encumbrance balance.
7. As invoices are paid, contract "actual expenditures" will increase and the encumbrance balance will decrease accordingly.
8. This report includes data from the most recent invoice submitted to CHSRA, monthly or quarterly for active contracts.
9. SB utilization percentages reflect invoices received to date. Exempt contracts such as 3rd party utility or interagency agreements are excluded and the utilization field is blank.
10. The Authority has a small business utilization goal of 30% per the Small and Disadvantaged Business Enterprise Policy from August-2012. All subsequent contracts and amendments include the small business goal. Small business utilization percentages reflect invoices received to date. Exempt contracts such as Third Party utilities or interagency agreements are excluded. The percentage represents the total dollar amount that went to small business by vendor divided by the total invoices.
11. The forecasted expenditures for recently awarded contracts is shown as fully expended. The amount will be adjusted by the contract manager.
