

CONSTRUCTION & ROAD CLOSURE ALERT

LANE CLOSURES IN SANTA CLARA COUNTY, CITY OF SANTA CLARA AND THE CITY OF SAN JOSE

ISSUED: MAY 30, 2018

SANTA CLARA COUNTY, CALIF. – The California High-Speed Rail Authority (Authority), in cooperation with geotechnical consultant, Kleinfelder Inc., announces lane closures in Santa Clara County and San Benito County for field work associated with geotechnical explorations within the Silicon Valley to Central Valley line starting Monday, June 4.

This work is being done to provide final asphalt patching of pavement areas for borings previously drilled. In total, 19 locations will require asphalt patching. Borings were drilled to understand geologic and hydrogeologic conditions near and around locations in close proximity to proposed alignment alternatives under consideration. This work supports future engineering, environmental and procurements. Kleinfelder Inc. and Fugro Consultants performed drilling activities using a mud-rotary and CPT rigs.

A final alignment alternative through this area has not yet been selected, and will be done so through a public environmental review process.

City of San Jose (June 4)

- Roadwork on the corner of Newhall St and Elm St.
- Roadwork at the end of Emory St. Nearest cross street is Chestnut St.
